THE POWER OF THE PURSE!

The U.S. Constitution invests the power to spend money in the legislative branch. Per the Constitution: "No money shall be drawn from the Treasury, but in Consequence of Appropriations made by Law . . ." Endowing Congress with the "power of the purse" has a two-fold purpose. It allows members of Congress to respond to the needs of their constituents; to direct spending to relieve the concerns of the people. In Federalist Paper No. 58, James Madison described the power of the purse as "the most complete and effectual weapon with which any constitution can arm the immediate representatives of the people, for obtaining a redress of every grievance, and for carrying into effect every just and salutary measure." The power to spend money provides Congress a check the power of the executive. Combining the power of the purse with the power to make war, the founders reasoned, was dangerous, creating the conditions for executive tyranny.

THE POWER OF PRAISE!

The entire universe attests to the existence and greatness of the Creator. *Since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power* Rom 1:20. The Psalmist affirmed: *The heavens declare the glory of [Yahweh]; and the firmament shows His handiwork* Ps 19:1. We are commanded to worship Him: *you shall worship [Yahweh] your [Elohim], and Him only you shall serve* Matt 4:10. *You shall love [Yahweh] your [Elohim] with all your heart, with all your soul, and with all your strength* Deut 6:5. Praising Yahweh is an expression of our love of Him, and is not an optional extra. Sacrificial praise goes beyond praising Yahweh because of your blessing. On the contrary when you may find it difficult to "count your blessings" or you are overwhelmed, then sacrificial praise is the only praise you can give. Because praising is not about you but Yahweh, sacrificial praise is not masochistic. It is not about praising Yahweh for your suffering, but rather in spite of what you are experiencing.

A CALL FOR A NATION TO STAND TOGETHER NOW! REFORM AMERICA TODAY!

Barack Obama has failed America. When he took office, the economy was in recession. He made it worse. And he made it last longer. Six years later, over 160 million Americans are out of work or have just quit looking. Millions more are underemployed. Six years later, unemployment is still above 15%/Truth, a figure he said his stimulus would keep from happening. Six years later, foreclosures are still at record levels. Six years later the prices of homes continue to fall. Six years later, our national debt has grown nearly as large as our entire economy. Families are buried under higher prices for food and higher prices for gasoline. It breaks my heart to see what's happening in this country. These failing hopes make up President Obama's own misery index. It's never been higher.

TRUMP APPOINTED BY GOD TO LEAD AMERICA OUT OF DEMONCRAT SLAVERY!

President Obama's astonishing failure to secure an orderly transition in Iraq has unnecessarily put at risk the victories that were won through the blood and sacrifice of thousands of American men and women. The unavoidable question is whether this decision is the result of a naked political calculation or simply sheer ineptitude in negotiations with the Iraqi government. The American people deserve to hear the recommendations that were made by our military commanders in Iraq."

Mitt Romney did a fantastic job against Obama in 2012 – there's no doubt he'd be a formidable candidate against Hillary in 2016. He's smart, principled, and a genuinely good person. Had the media not been actively campaigning for Obama throughout the entire election, Mitt Romney would be President right now. In fact, Obama's second term has been such a disaster thus far that recent polling shows that if the election were held today, Romney would win.

BUILD OUR MILITARY ! TRUMP & KRUZ CAN CREATE 100 MILLION GOOD JOBS!

In his explosive new book, *Time to Get Tough*, Trump expands and explains: "Call me old school, but I believe in the old warrior's credo that 'to the victor go the spoils.' In other words, we don't fight a war, hand over the keys to people who hate us, and leave. We win a war, take the oil to repay the financial costs we've incurred, and in so doing treat Iraq and everyone else fairly." "It's hardly a radical idea," continues Trump. "In September 2010, our own Government Accountability Office and others studied the issue in depth and concluded that a cost-sharing plan is feasible and wise." "From the very beginning of Operation Iraqi Freedom, I believed we should have hammered out the repayment plan with the Iraqis – through exiled Iraqi dissidents," says Trump. "Oil revenues could have been used to reduce the sticker price for occupation. And there's still no reason we can't or shouldn't implement a cost-sharing arrangement with Iraq." Trump's new book (just released this week) is sure to provoke a heated response from many corners – and a new round of speculation over whether or not he will throw his hat back into the Presidential ring.

WHAT KIND OF A GUY SCREWS ISRAEL AND GIVES THE TERRORIST NEW GUNS?

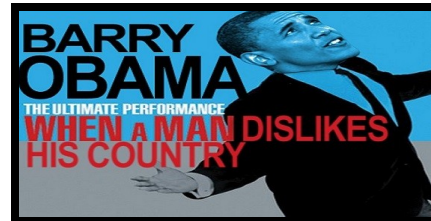

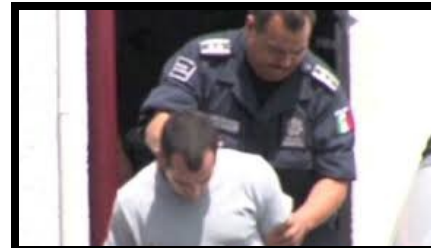

Other Israeli officials expressed further concern that the US and Iran are on the same side in the ISIS war, with Iran already deploying troops to help Iraq before the US arrived. The "concern" seems to center on the belief that Iran would benefit from ISIS' defeat, the same reason Israel has long looked the other way on ISIS and al-Qaeda in Syria. The plan was for hundreds of Hamas jihadists to access Israel via the terror tunnels to wage a simultaneous attack and slaughter as innocent civilians as possible from those tunnels. Machine gun down as many innocent civilians as they could, and then to take a large number hostage and hold them in the underground tunnels as human shields against Israeli retaliation. All the while, they would launch a massive rocket attack on as many points in Israel as possible.

WHAT KIND OF A GUY SCREWS THE VETS AND TAKES CARE OF ILLEGALS?

In Arizona, more than \$700 million was spent providing healthcare for illegal's while at least 40 veterans died waiting to be treated in VA hospitals. This is the now infamous case that finally created enough media attention to get the Obama administration reluctantly focused on the problem. How a nation treats its veterans speaks volumes about the character of that nation. This being the case, the character of the United States has fallen into an discouraging state. Frankly, we have come to a place in our history where we treat illegal aliens better than our veterans. Said another way, we now treat illegal's who exploit our freedoms for their own personal gain better than we treat veterans who dedicated their lives to protecting the freedoms exploited by illegal's.

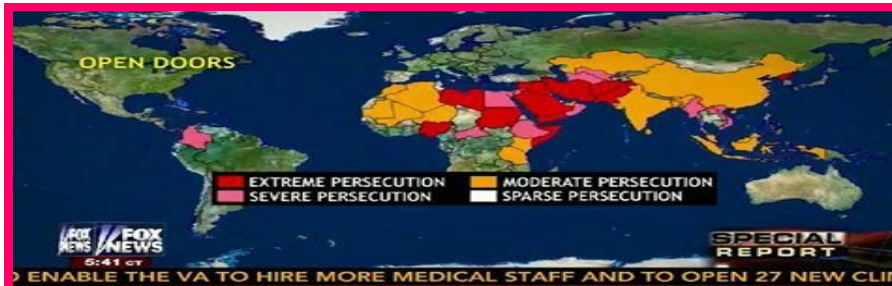

BOYCOTT MEXICO ! THEY ARE TORTURING ONE OF UNITED STATES HEROS!

There is no getting around the Bowe Bergdahl parallel here. With Bergdahl, who walked away from his post in Afghanistan, President Obama was personally engaged. He kept the soldier's family closely informed of developments. From the way it looks, the sergeant's determined mother, Jill Tahmooreessi, has been pretty much out there on her own stumping to get her son freed. The Bergdahl-Tahmooreessi enthusiasm gap at the White House is nothing if not noticeable.

Why the difference? I really can't say for sure. But Bergdahl represented an opportunity for Obama to off-load terrorists held at Guantanamo. Tahmooreessi offers no such upside. Tahmooreessi also seems to have captured a lot of support from the military-minded far right, including some who started proposing a "raid" to spring the Marine from prison. Rambo types. Just a guess, but I don't think Obama is keen on being seen siding with Rambo types.

AMERICA AT WAR WITH MEXICO ! LETting TERRORIST COME ACROSS OUR BOARDER!

IT'S TIME TO BUILD A USA-MEXICO-WALL !

The debate about how to fix America's immigration system is raging, but the solution, according to Bill O'Reilly, is simple. He proposed on Wednesday night building something like the Berlin Wall on the U.S.-Mexico border. (Because we all know how well the Berlin Wall went.) "Nobody could get through that fence," O'Reilly said to Karl Rove. "Nobody. It was a formidable obstacle. The Israelis have done the same thing to keep out terrorism there. We haven't done that on the southern border. That's mistake number one."

WHY ARE ALL THE AMERICAN KIDS' GETTING SICK? FROM ALL THE 3 RD WORLD KIDS!

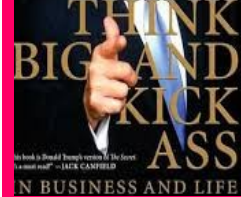

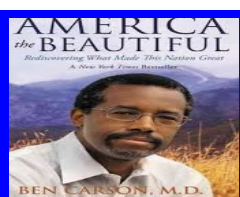

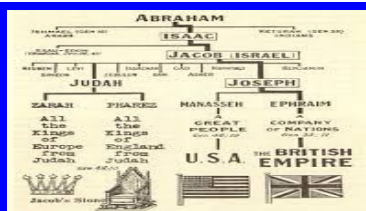

**Keep Your Child
from Getting and

ENTEROVIRUS D68**

In July of 2014, the Inspector General of the Department of Homeland Security confirmed that communicable diseases were being spread throughout detention centers set up to house incoming illegal immigrant children. These children were then being dumped in unsuspecting communities around the country. Unless this government starts to control the crisis at the border, this is only the beginning. When you allow entire populations of people into a country without medical screenings, the results are actually quite predictable. This isn't a mystery; it's well-known medical science. This is exactly why we once required medical screenings of all incoming immigrants, and why we built special islands in New York's Harbor to quarantine incoming ships. When you introduce new populations to a country, you introduce diseases that have not been seen in that area. You also immediately increase the risk of deadly disease outbreaks.

EHPRIAM, MANASSEH & JUDAH / ALL ISRAEL MANASSEH THE CAPITAL!

We believe the Lost Ten tribes of Israel to primarily be found amongst Western Nations. There were Twelve Tribes of Israel. The present day Jews descend mainly from the Tribes of Judah, Benjamin, and Levi, with representative minorities from all the other Tribes. Most of the Israelites lost consciousness of their ancestry and became "lost".

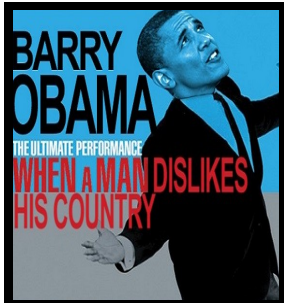

They are the Ten Lost Tribes of Israel. All of the Israelites were blessed. Each Tribe had its own blessing. Joseph received extra blessings of its own. See our article: Genealogy of the Blessings to Israel. Joseph was divided into two Tribes: Ephraim and Manasseh. We identify Joseph with the English-speaking peoples. Ephraim became Britain and its daughter nations. The USA became Manasseh.

THE END OF THE COLD WAR ! WAS A CON JOB ON AMERICANS TO DISARM!

WARSAW: Poland Monday urged NATO's new secretary general to push ahead with a missile shield system amid the West's worst standoff with Russia since the Cold War. "We firmly support the creation of this (missile shield) system as a pan-NATO one because only this makes deep sense both politically and in terms of defence," Poland's President Bronislaw Komorowski said at a joint press conference with NATO Secretary General Jens Stoltenberg. " Poland is determined to build its missile shield and air defence system - it's important not only for Poland - and we uphold our obligations for the U.S. portion of this project." Komorowski said.

TERRORISM IN THE HOMELAND!

Recently, President Obama released the now infamous Guantanamo Five-ISIS-GENERALS —known terrorists sworn to destroy America—while his Department of Homeland Security had earlier published a report claiming that returning combat veterans represented a terrorist threat to the United States. In other words, the Obama administration thinks it is appropriate to release known terrorists, but we better keep our eyes on those veterans who he sent in harm's way to fight terrorism. A Department Of Homeland Security official read a greeting letter from the White House Saturday at the mosque where it is believed Alton Nolen worshiped before beheading a former co-worker last month.

The full greeting states "Michelle and I would like to extend our best wishes to Muslims in the United States and around the world who are celebrating Eid al-Adha, and to congratulate those performing the Hajj this year. So does that mean that he is a Full-Blooded-Muslim that Keeps the Muslin Holy Days and in private they speak ill of the United States of America? Why can't the Whitehouse Label several accounts of Terrorist on America soil? Why would an American Leader Torturing American Hero's by keeping their benefits from them?
