PLAIN TRUTH

A WITNESS TO 12TH MAHDI

DESTROYING THE BLESSINGS TO AMERICA!

The Bible predicts in the last days a charismatic leader will establish a global following in the name of peace. Islamic prophecy also predicts that a man will rise up to lead the nations, pledging to usher in an era of peace. Islam's savior is called the Mahdi. However, the man in the Bible is the Antichrist. Joel Richardson's stunning research and analysis suggest the Mahdi and the Antichrist may actually be one and the same. In *The Islamic Antichrist*, Richardson exposes Western readers to the traditions of Islam and predicts the end times may not be here. Richardson's revelations will stun readers who are unaware of the similarities between the Antichrist and the Islam's expectations about a returning EliYah III. His explanation of the relationship between Christian end-time prophecy and Islamic expectations of world domination has shocked readers and revolutionized eschatological expectations for a generation. *The Islamic Antichrist* is the book to read for insights on the world's fastest-growing religion and the future of the world.

TEA PARTY FOUNDATION!

RUSH: Walmart has announced that they're gonna end all handgun ammunition sales. They're gonna sell guns, but no ammo. This is like, are they gonna cancel selling auto parts? You know, the automobile, the wheel kills more people in the world and in this country than anything else. The wheel, of course, is what the automobile travels on. So the wheel is a very, very dangerous invention. It kills upwards of 50,000 to 60,000 Americans alone every year. NO JUSTICE! NO PEACE!

ARE THESE CRIMINALS ABOVE THE LAW?

(Washington, DC) – Judicial Watch today released 90 pages of heavily redacted U.S. Department of State documents showing Obama State Department officials' efforts to disseminate classified information to multiple U.S. Senators immediately prior to President Donald Trump's inauguration. The information, which included raw intelligence, purported to show "malign" Russian interference in the 2016 presidential election. Among the senators receiving the classified documents were Sen. Mark Warner (D-VA), Sen. Ben Cardin (D-MD), and Sen. Robert Corker (R-TN). Judicial Watch obtained the documents through a June 2018 Freedom of Information Act (FOIA) lawsuit filed against the State Department after it failed to respond to a February 2018 request seeking records of the Obama State Department's last-minute efforts to share classified information about Russia election interference issues with Democratic Senator Ben Cardin (Judicial Watch v. U.S. Department of State (No. 1:18-cv-01381)).

CHINA'S DEMONIC TEAM! ANTI-CHRIST FOUNDATION!

And yet the same people that excuse the guy are promoting these red flag laws, which technically, if you get a warning — if you get a good indication that somebody's gonna go bonkers with a gun — you can go get 'em. You go get their guns. You can get them, put 'em in jail, you can put 'em away. Something like that. Now, if you think about San Francisco and declaring the NRA as a terrorist organization, if the NRA actually ends up being declared a terrorist organization, then being an NRA member would raise a red flag in San Francisco. Now, 70% of Americans don't believe this, but in San Francisco they do. And you know who the biggest left-wing component of the Democrat Party is now? It's white liberals. White liberals make them up. They are the de-ranked Democrat base. Of all the different groups... 'Cause you got the feminazis, you have the African-Americans (which are 90, 92% voting Democrat every year, or every presidential year). But it's the white liberals, the plantation owners in the Democrat Party that are really responsible for taking it left, and that's who runs San Francisco.

THE TRUE HOUSE OF JUDAH

PREACHING WENT TO PHAREZ!

When Jacob (Israel) gave his dying blessing to his twelve sons, he associated each of them with some animal, object or personal characteristic which afterwards became the emblem of the tribe descended from him.

Among these the LION, the emblem of Jacob's fourth son Judah, is of special importance. This lion, in a couchant (lying down) position, became the emblem of the tribe of Judah; then, in a passant position, it became the emblem of the Camp or Brigade of Judah. Later, with the addition of a crown, it became the emblem of the Royal House and the throne of Judah. Still later, in a rampant (standing on the hind legs with both forelegs elevated) posture and with a crown, it became the symbol of the two-tribed House and Kingdom of Judah.

Yet this lion, usually portrayed as tawny or golden in color, is not the only emblem of the descendants of Judah -- or even the only lion!

Zarah and Pharez

In the last four verses of Genesis 38, we find recorded the birth of twin sons to Jacob's fourth son Judah. Notice what these verses say: Now it came to pass, at the time for giving birth, that behold, twins were in her womb. And so it was, when she was giving birth, that the one put out his hand; and the midwife took a scarlet thread and bound it on his hand, saying, "This one came out first." Then it happened, as he drew back his hand, that his brother came out unexpectedly; and she said, "How did you break through? This breach be upon you!" Therefore his name was called Perez. Afterward his brother came out who had the scarlet thread on his hand. And his name was called Zerah [Zarah].

IRAN NUKES ? WHO ARE THE REAL AMERICAN TERRORIST?

MARCH IN THE STREETS TO STOP THIS DEAL!

Our faith requires us to put our Christian belief into action. Together we will wake the most powerful force on earth — the people of God, together we can be an army of good. I am beginning where Martin Luther King began — in Birmingham, Alabama. Guiding Light Church in Birmingham, Alabama is just down the street from the building where MLK began his historic stand against Bull Connor. Bishop James Lowe is a brave and outspoken man. We may not agree on everything, but He and his congregation are unafraid and have welcomed us for the anniversary of Restoring Honor and Martin Luther King's 'I have a dream' speech. Friday August 28th. now.

WHERE IS AMERICA'S URANIUM?

CLINTON SOLD TO TERRORIST!

As the Russians gradually assumed control of Uranium One in three separate transactions from 2009 to 2013, Canadian records show, a flow of cash made its way to the Clinton Foundation. Uranium One's chairman used his family foundation to make four donations totaling \$2.35 million. Those contributions were not publicly disclosed by the Clintons, despite an agreement Mrs. Clinton had struck with the Obama White House to publicly identify all donors. Other people with ties to the company made donations as well. And shortly after the Russians announced their intention to acquire a majority stake in Uranium One, Mr. Clinton received \$500,000 for a Moscow speech from a Russian investment bank with links to the Kremlin that was promoting Uranium One stock. At the time, both Rosatom and the United States government made promises intended to ease concerns about ceding control of the company's assets to the Russians. Those promises have been repeatedly broken, records show.

LAND WEALTH WENT TO ZARAH

CAN TRUMP SAVE AMERICA?

This is one of the most important events recorded in Bible history. The births of a great many other people are recorded in the Bible, but in this one case **ONLY** are the details given -- why? Why is this particular birth singled out for such special attention? This birth was a matter of great and special significance because Judah's other sons could not inherit the prophetic promise that from his descendants would come the future Royal Family of the nation of Israel. This was because they were the children of a forbidden union -- their mother was a Canaanite! Therefore, with the older of these two boys destined to be the ancestor of the future Royal Family of Israel, the question of which of them was born first (and therefore the heir) was a matter of very great importance. It was also, as the Bible shows, the basis or beginning of serious family trouble. In the record of the birth, we find that the hand of Zarah (Zara) appeared first, and that the midwife tied a scarlet thread or cord around his wrist, saying: "This came out first." We then read that the hand was withdrawn, and that the birth of Pharez ensued. Here, indeed, was the seed of family discord. Which boy was the firstborn and, therefore, the heir: Zarah with the scarlet cord around his wrist and the pronouncement "This came out first" or Pharez (Perez) whose birth was completed first? Eventually Pharez was declared the rightful heir, and from him descended the official branch of the Tribe of Judah and the Davidic Royal House. Now how did Zarah and his descendants react to what they, undoubtedly, considered a wrong decision that robbed them of their rightful inheritance?

JOSEPH'S BIRTHRIGHT USA!

That they did not accept this ruling and that many of them left the main body of Israel during the time of the bondage in Egypt, becomes very clear when we examine the tribal genealogies as recorded in the Old Testament. These record the main lines of descent from Pharez-Judah for a very long period of time -- but the record of the descendants of Zara-Judah apparently ends with the third generation. Since these genealogies -- and especially those of the chief families in each tribe -- were kept with great care, any omission would indicate that those omitted were NO LONGER in the land when the record was made. As the genealogy of Zara-Judah apparently ceases with the third generation, it naturally follows that most (if not all) of Zara's descendants must have left the main body during the time of Israel's captivity in Egypt -- and therefore BEFORE the Exodus. With this mind WHERE, then, did they go? Since they were descendants of Judah their emblem was a lion. It is very unlikely that they would give up this emblem of their identity and descent -- even though bitterly resentful towards the rest of the Tribe of Judah. They therefore kept the lion as their emblem, but added their own variations to it to show that they were entirely separate and distinct from the Tribe of Judah in Israel. In their bitterness they would make the difference as great as possible without actually doing away with the symbol. So, instead of a tawny couchant lion, they depicted theirs as both rampant and red. As a result, the Rampant Red Lion became an emblem of the Zara branch of the Tribe of Judah.

NEW WORLD ORDER? HELL NO! TRUMP'S USA LAW & ORDER!

REVEAL THE TRUTH ABOUT SOROS

SUMMARY in a HURRY: George Soros, also known as SPOOKY DUDE, is arguably the most powerful fat cat on earth, devoted to destroying the traditional USA. He's now a New York hedge fund manager with a net worth estimated, in 2009, at \$13 billion. His company controls another \$25 billion. Since 1979, Soros's foundation network -- whose flagship is the Open Society Institute (OSI) -- has handed out many billions of dollars to a many organizations whose objectives are not consistent with maintaining traditional USA values.

FIRE ALL DEMON'CRATS! GIVE ALL THOSE JOBS TO VETS!

The United States military has become so “depleted” under the Obama administration that is now only “marginally able” to defend the country, a new Heritage Foundation report says. According to the report compiled by security, armed forces, and foreign affairs experts who drafted the think tank’s U.S. Military Strength report, the branches are no longer able to meet President Obama’s goal of fighting two wars simultaneously. Military cuts made to both the number of armed forces members and naval shifts under the direction by President Barack Obama have left America “under-powered.” As previously reported by the Inquisitr, the Quadrennial Defense Review revealed in 2014 that the United States Army would be cut from 570,000 soldiers to 440,000. Those statistics reflect the lowest troop levels in the United States since World War II.

HELP US TRUMP SOROS

The Red Hand Lion of Judah/TRUMP!

Returning again to the birth of Judah's twin sons as recorded in Genesis 38, we find that the peculiar circumstances of this birth gave the descendants of Zarah (Zara) ANOTHER EMBLEM. Note again verse 28 --
And so it was, when she was giving birth, that the one put out his hand; and the midwife took a SCARLET THREAD and bound it on his HAND, saying, "
This one came out first."

Here we have an emblem which is ABSOLUTELY UNIQUE, one which could apply to NO ONE ELSE and one to which the historical record draws special and emphatic attention -- a HAND, RED from the blood of birth, circled by a SCARLET THREAD or cord. In this unique way a Red Hand, or a Red Hand circled by a Scarlet Thread or cord, also became an emblem of the Zara branch of the Tribe of Judah/TRUMP.

BRING BIG TECH TO THEIR KNEES!

RUSH: Oh, Zuckerberg got one question about all of the assistance Facebook gave Obama, and he kind of hemmed and hawed and didn't want to go there, only one question. I wasn't surprised. It was sad to see the relative ignorance of members of the House and Senate on tech matters. It was embarrassing in a couple occasions. The questions were literally embarrassing. And other people are just scared to death of it and afraid and suspicious of it. But the point is, these are the people, if we ever got to the point that they start regulating it, these are the people that are gonna regulate social media, and they in large numbers don't get it.

WHO IS THE LEADER OF ISIS? THE MAHDI GAVE IRAN CASH!

HISTORY WILL PROVE IT !

Barack Obama, by acceding to the Iranians' nuclear ambitions, has given a tremendous impetus to these revenge fantasies, probably not realizing or caring that Iran's mullahs take the prophecies of the Twelfth Imam very seriously indeed.

Obama has just made the odds appear to them to be considerably more favorable. (Ibid.) Now for the truly terrifying part: the reigning authority on Twelver Shiism is historian Emmanuel Sivan, professor emeritus of the Hebrew University. He has pointed out that "an integral part of the Shia Islam's belief involves the initiating of a planetary conflagration." The Mahdi's advent can be hastened by creating the right set of circumstances – world-wide violent upheavals in a cataclysm of blood and fire.

WHY IS AMERICA STANDING DOWN? TO HELP ISIS!

THE SATANIC 12 TH MAHDI

What is important for us today is that this Twelfth Imam prophesied that he, as the Islamic messiah, would reappear when the evil that Muslims were suffering was at its absolute apex. It is he who will "fill the world with peace and justice as today it is filled with violence and tyranny."

(Peace and justice to the devout Muslim means nothing less than a world converted to Islam and ruled by Sharia law.)

Revenge is a core component of the Shiite religion because its history is drenched in assassinations of their Imams, losses in wars and other failures, and they see justice as coming to Shiites through their promised retaliation by slaughtering Sunni Muslims, Jews, Christians and all infidels (non-Shiites).

The Mahdi Is Proving to Iran, that he is on their side to Destroy Modern Judah.

TRUMP NEEDS TO VISIT BAD CITIES!

RUSH: Look, you'll tell you something else is happening out there, folks. I saw... Have you noted all the Republican members of Congress that are again retiring? I think one of the reasons we lost the House in 2018 is that there were a huge number of Republicans who retired. Now, we were told the reason was, "Well, they're being term limited out of their committee chairmanships. Mr. Limbaugh, and they don't want to go back to just being regular members of the House. What's in it for them? Once you become a committee chairman, you can't go back to being a regular bencher." Americans need to replace them all, Just like Paul Ryan a Stand down!

5G promises lightning-fast speeds and the ability to power new technologies like self-driving cars and advanced augmented and virtual reality experiences. But an undercurrent to all of the things we can do with 5G is concern about what 5G can do to us. Mobile carriers throughout the world are racing to deploy this fifth generation of cellular technology. And the biggest cellphone makers are also readying their 5G handsets. President Donald Trump has made it clear that the US must not fall behind other nations, like China, in the effort to develop and roll out the technology. But not everyone believes the US should be pushing full steam ahead. There are concerns that the very high-frequency spectrum known as millimeter wavelengths used in early deployments to make 5G a reality could pose adverse health effects for the public. "What we're doing is destroying our health," Pall said in an interview. He added that if 5G deployments aren't stopped, "we [as a society] are playing around with our very survival."

MADE IN U.S.A. NOT CHINA!

I WILL BE THE BEST JOB'S PRESIDENT!

THE WHOLE WORLD TOOK OUR JOBS!

I WILL BRING BACK EVERY JOB !

In the US, New Hampshire is considering establishing a commission to study the health effects of 5G networks. Several leaders in Congress have written to the Federal Communications Commission expressing concern about potential health risks. And in Mill Valley, California, the city council blocked the deployment of new 5G wireless cells. These kinds of worries aren't new. Consumers for years have been anxious about possible health effects of radiation in everything from microwaves to cell phones, prodded by claims that radio airwaves cause brain cancer, reduced fertility, headaches in children and other illnesses. The deployment of new 5G networks, which requires many more small cell towers to be deployed much closer to where people live, work and go to school, is reigniting those fears. Lawmakers and policy makers throughout the world are starting to put on the brakes. Radiation is the emission of energy from any source. That means that even heat that comes from your body counts as radiation. But some forms of radiation can make you sick. **ATTN: PRESIDENT TRUMP SAY NO TO 5 G CELL TOWERS! PS *CHINA CAN USE AS A WEAPON!!**
