ATTN: PRESIDENT TRUMP YOU ARE* RED<WHITE<BLUE

Donald Trump Jr. says his father, former President Donald Trump, is a threat to the Deep State, Uniparty and Democrats. The eldest son of Donald Sr. and Ivanka Trump made this remark during an appearance on "Eric Bolling the Balance" on *Newsmax*. According to Bolling, the former president's court dates coincided with many of the Republican Party's election events. Donald Jr. remarked that this was no coincidence and was designed, just like how his father's indictment followed legal actions against the Biden crime family. **"He is the threat to the Deep State. He is the threat to the Uniparty and to the Democrats."** **said the former president's son. "They are doing everything possible to prevent him from being the nominee because they understand that he is the threat to their power."**

All of the national polling shows that Donald Trump is the only guy actually beating Joe Biden." **"People know Trump [Sr.] is the only way to stop this insanity from happening. And guess what folks?**

The Democrats know it too which is why they are trying to do it." (Related: Donald Trump Jr. on father's indictment: 'We're living in 3rd world Banana Republic.')

BLESSING OF JOSEPH (Deuteronomy 33:13-17) "And of Joseph he said, Blessed of Yahuweh, be his land, For the precious things of heaven, for the dew, And for the deep that coucheth beneath, And for the precious things of the fruits of the sun, And for the precious things of the growth of the moons, And for the chief things of the ancient mountains, And for the precious things of the everlasting hills, and for the precious things of the earth and the fullness thereof, And the good will of him that dwelt in the bush. Let the blessings come upon the head of Joseph, And upon the crown of the head of him that was separate from his brethren. The firstling of his herd, majesty is his; And his horns are the horns of the wild-ox: With them he shall push the peoples all of them, even the ends of the earth: And they are the ten thousands of Ephraim, .And they are the thousands of Manasseh."

Glenn Beck's Rally Panned by Civil Rights Leaders, Aug. 20, 2010 -- Forty-seven years after Martin Luther King, Jr., gave his famous "I Have a Dream" speech from the steps of the Lincoln Memorial, a different type of rally will be convening there. And it is already causing national uproar.

Conservative commentator Glenn Beck's plans to host a "Restoring Honor" rally on Aug. 28 to "celebrate America" has brought objections from some civil rights leaders, who say picking the anniversary of King's speech is a deliberate way to distort King's message. The controversial talk show host attributed the coincidence to "divine providence." Beck has said the rally will be "non-political." But with an appearance by Sarah Palin as the event's headliner, politics are likely to play some part. Palin has been busily endorsing conservative mid-term election candidates. And with the elections only months away, the topic is likely to be raised in the rally. Tea Party activists are expected to make up a large part of the rally, although organizers have been careful to say that it's not a Tea Party event. I don't think Dr. King would've had any problem with it," said Bryant, who plans to attend the rally. "In fact, the perpetuation of the race card that's played by groups like NAACP and even some conservative groups is misdirected." BECK "Kicks Off Tea Party Rallies!"

([Natural News](#)) A prominent doctor credited with advancing the development of early treatments for COVID-19 has stated that, in his judgment, the purpose of the pandemic and vaccine campaigns, is to “control and kill off a large proportion of our population without anyone suspecting that we were poisoned.” (Article by Patrick Delaney republished from [LifeSiteNews.com](#)) Dr.

Shankara Chetty, a family doctor in South Africa who, according to his [website](#), has “treated 7000 Covid-19 patients without a single hospitalization or death,” combined insights from his medical knowledge along with his observations of government dictates and media censorship to support his conclusions. He went on to identify, as “the most important” aspect for answering these questions, the “pathogen that was causing all the death in COVID illness,” the spike protein which is carried by the virus and is what the vaccine is designed to produce in a recipient’s body. “If I had to give you my opinion, as to what is happening on a global scale,” he said, “[the] spike protein is one of the most contrived toxins or poisons that man has ever made. And the aim of this toxin is to kill billions without anyone noticing it. So, it’s a poison with an agenda.” The physician, broadly recognized for developing the “8th Day Therapy for COVID-19” for patients who have entered the more dangerous inflammatory stage of the disease, then stated that “what looks like transpired here, [is] they’ve engineered a virus and put this weapons-grade package onto it called ‘spike protein.’”

A plan for conquering the land of Canaan/BIRTHRIGHT ISRAEL with its fortified cities and giants was, of course, crucial, but Yahweh never leaves His people to their own strategies. He comes to their aid with His own divinely-provided plan. Indeed, we are repeatedly warned in Scripture against leaning on our own understanding or plans ([Prov. 3:5-6](#); [Jer. 9:23-24](#); [17:5](#)). Undoubtedly, the strategy for invading the land was based on the geographical lay of the land. Campbell writes: The pattern of divine strategy for the conquest of Canaan was based on geographic factors. From their camp at Gilgal near the Jordan River the Israelites could see steep hills to the west. Jericho controlled the way of ascent into these mountains, and Ai, another fortress, stood at the head of the ascent. If the Israelites were to capture the hill country they must certainly take Jericho and Ai. This would put them on top of the hill country and in control of the central ridge, having driven a wedge between the northern and southern sections of Canaan. Israel could then engage the armies of the south in battle followed by the more remote enemy in the north. But first, Jericho must fall—and it would if Joshua and the people followed the Lord’s plan of action.²⁸ Then on the seventh day, they got up at dawn and marched around the city seven times in the same manner. That was the only day they circled the city seven times. After the seventh time around, the priests blew the horns, and Joshua commanded the people, “Shout! For the LORD has given you the city! **1** So when the rams’ horns sounded, the people shouted. When they heard the blast of the horn, the people gave a great shout, and the wall collapsed. Then all the people charged straight into the city and captured it. At the edge of the sword they devoted to destruction everything in the city—man and woman, young and old, oxen, sheep, and donkeys.

Behold, my servants shall sing for joy of heart, but ye shall cry for sorrow of heart, and shall howl for vexation of spirit. ¹⁵ And ye shall leave your name for a curse unto my chosen: for the Sovereign Yahweh shall slay thee, and call his servants by another name: ¹⁶ That he who blesseth himself in the earth shall bless himself in the Elohim of truth; and he that sweareth in the earth shall swear by the Elohim of truth; because the former troubles are forgotten, and because they are hid from mine eyes. ¹⁷ For, behold, I create new heavens and a new earth: and the former shall not be remembered, nor come into mind. ¹⁸ But be ye glad and rejoice for ever in that which I create: for, behold, I create Jerusalem a rejoicing, and her people a joy. ¹⁹ And I will rejoice in Jerusalem, and joy in my people: and the voice of weeping shall be no more heard in her, nor the voice of crying. ²⁰ There shall be no more thence an infant of days, nor an old man that hath not filled his days: for the child shall die an hundred years old; but the sinner being an hundred years old shall be accursed. ²¹ And they shall build houses, and inhabit them; and they shall plant vineyards, and eat the fruit of them. ²² They shall not build, and another inhabit; they shall not plant, and another eat: for as the days of a tree are the days of my people, and mine elect shall long enjoy the work of their hands. ²³ They shall not labour in vain, nor bring forth for trouble; for they are the seed of the blessed of Yahweh, and their offspring with them. ²⁴ And it shall come to pass, that before they call, I will answer; and while they are yet speaking, I will hear.

BECOME A INTERNATIONAL AMBASSADOR FOR FREEDOM!

(Natural News) Protests are erupting around the globe. It has become increasing clear: Mandatory vaccines equal mandatory suffering, dependence and death. Cities in Canada, Europe and Australia are in a constant state of protest now, as people fight back to reclaim their rights, their sovereignty, their health and their life. As governments and corporations demand endless vaccine compliance, more people are withdrawing their consent. But the fight against the vaccine passports and mandates isn't just a fight for freedom. It's a matter of life and death. Deadly vaccines are killing people at an alarming rate, and the world is starting to notice. Curfews, lock downs, work-from-home orders, digital passports, vaccine mandates and various restrictions are being imposed simultaneously across multiple European countries. The people are rising up, from Japan to Australia, from Germany to Austria, and dozens of countries in between. In Austria, a full lock down is scheduled for the next ten days, with mandatory vaccine policies coming in its wake. In the Netherlands, protests have turned violent after the government decided to restrict the "unvaccinated" and banish them from society. In the port city of Rotterdam, the police refuse to defend the rights of the people, and they continue to foolishly clash with freedom fighters who have nothing more to lose. On Friday November 19th, protests turned into riots in the city of Hauge, the third largest city in the Netherlands. Fires dotted the city, as police moved in to make dozens of arrests.

WE NEED TO MARCH EVERY OTHER WEEKEND!

In Australia, people are rising up in greater numbers. Over the weekend, tens of thousands rallied in Heldenplatz square in Vienna to chant, "My Body, My Choice," "We're Standing Up for Our Kids!" and "Resistance!" There were an estimated 350,000 people gathered in Melbourne, 150,000 in Brisbane, 150,000 in Sydney, and an additional 40,000 in Perth and 30,000 in Adelaide. These protests were peaceful and strong, sending a clear message to the ruling elites and the enemies of humanity. The ruling elite and the enemies of humanity have tried to steal, kill and destroy people's lives using division, segregation, discrimination and threats of violence. The enemies of humanity have tried to take away people's careers, livelihoods and futures, while threatening to starve people out until they comply with mandatory kill shots. The people are rising up to defend their lives! In Croatia's northwestern capital city, Zagreb, over one hundred thousand people poured into the streets, demanding an end to the government's so-called "health passports" and a slew of other insidious restrictions. People there chanted: "We are not giving you our children!" The people of Rome gathered by the thousands in the capital city. Rome is forcing every citizen to carry a "Green Pass" forcing all citizens to get permission from the government to access restaurants, public transportation, cinemas, theaters, sports venues, gyms and workplaces. The "Green Pass" includes permanent submission to vaccine mandates and PCR tests, turning people into subjugated slaves, who are trained for certain suffering and death.

GOLD & SILVER BACKED CURRENCY AND BATER!

In ancient times, it would be strange to refer to money as something outside of gold and silver. In the Bible, gold and silver are synonymous with money. In Hebrew, there was no word for money. Every Biblical passage that refers to "money" is a unit of weight in gold, silver, or another metal. Silver was used for day-to-day purchases, and gold was viewed as approximately twenty fold the value of silver. It is worth noting when the United States operated on the Gold Standard, an ounce of silver was worth about \$1 and an ounce of gold was worth approximately \$20. Gold and silver were used as money not only in Jewish culture but throughout all cultures. Regardless of man's location on earth, gold and silver are both accessible and valued as wealth. A believer could easily make the conclusion that God placed gold and silver strategically throughout the world. By doing this all nations throughout history have enjoyed the utility of gold and silver as money. In the last century, the world has removed gold and silver from its monetary role. By ignoring the use of gold and silver as money, central banks have created large economic imbalances. Every day currencies fluctuate in value, because of manipulative monetary policies. When central banks expand their balance sheets, artificial wealth is created. Monetary inflation and low interest rates enrich the wealthy, while the poor are robbed of their labor and savings. The Bible says God hates deceit and manipulation. God is the author of balance and justice.

BOARD OF SEVENTY ELDERS THEOLOGY RESEACH CENTERS

Elders in the Old Testament were men chosen to lead because of their wisdom, leadership abilities, and proven integrity. Israel had elders even before God delivered the nation from Egyptian slavery, but we don't know how many there were. God sent Moses to appeal to those elders for support before he went to Pharaoh (Exodus 3:16). Each of the twelve tribes had its own elders who represented the interests of that tribe (Numbers 1:16; 13:2-3).

In Exodus 24:1, we read of Israel's seventy elders: "Then the Lord said to Moses, 'Come up to the Lord, you and Aaron, Nadab and Abihu, and seventy of the elders of Israel. You are to worship at a distance, but Moses alone is to approach the Lord; the others must not come near. And the people may not come up with him.'" The seventy elders are mentioned as a unit and were most likely a distinct group selected from among the many other elders in Israel. Although we don't know for certain, these seventy were probably some of the men Moses chose after taking the advice from his father-in-law, Jethro (Exodus 18:13-26). In that case, they were "capable men from all the people—men who fear God, trustworthy men who hate dishonest gain" (Exodus 18:25), and they "served as judges for the people at all times" (verse 26). The seventy elders who climbed part of the way up Sinai with Moses were privileged to experience God more intimately than the rest of Israel did: "Moses and Aaron, Nadab and Abihu, and the seventy elders of Israel went up and saw the God of Israel. Under his feet was something like a pavement made of lapis lazuli, as bright blue as the sky. But God did not raise his hand against these leaders of the Israelites; they saw God, and they ate and drank" (Exodus 24:9-11).

AMERICA IS THE CORNER- STONE TO THE WORLD!

The United States is in a unique position to fight this global medical tyranny. The country is united in its common defense, but the power of the people is localized and distributed across fifty states. Governments obtain their power from the consent of the governed. Because the citizens of the United States are heavily armed, governments are more hesitant to wield absolute power. In the US, governments are held in check to this force of accountability. Moreover, the rights of the people are not numerated, according to the US Constitution. The people of each state are responsible for defending any rights not numerated in the Bill of Rights. Because of this, different states are taking different approaches when it comes to freedom versus medical tyranny. Some states are standing by the rights of the people, no matter if the threat of medical tyranny is coming from the government, Big Tech or other private companies. Other states are nullifying any attempt by the federal government to claim ownership over individuals. Still other states are imposing various levels of medical martial law and encouraging segregation against the "unvaccinated." Protests have cropped up in Los Angeles, New York City and San Francisco, where medical tyranny has taken hold. In Florida, the legislature continues to axe vaccine mandates and restore parental rights, forcing companies, school, and hospital systems to respect people's rights once again. In the coming year, states and the people will have to take a stand against the vaccine program itself, as it proves to be a debilitating and effective form of genocide against humanity.

FREEDOM NEEDS TO SPEAD TO THE WHOLE WORLD!

Constitutional sheriffs are the answer to the corruption and abuse perpetrated by the federal government. Sheriff Richard Mack made this assertion during his appearance on the Aug. 30 episode of the "Merritt Medical Hour" *Brighteon.TV*. "The constitutional sheriff is the answer for any corruption and abuse going on in our country," Mack told the Medical Rebel Dr. Lee Merritt. "I don't care if it's the bullying and illegal activity of the [various federal agencies]. These federal agents have become powers unto themselves, arresting people who are not criminals right and left." Mack, the founder and president of the Constitutional Sheriffs and Peace Officers Association (CSPOA), pointed out that the federal agencies – along with their regulations and policies – do not supersede the rights of Americans. This includes the right to pursue happiness, alongside the right to own and control their property – with the latter applying most especially to Amish farmers. He also slammed the federal government for usurping and assuming the authority to run, manage and monitor every farm in the country. According to the host of "The Sheriff Mack Show" on *Brighteon.TV*, the federal government is "way out of control" when it thinks it can dictate whether or not Americans can own gas stoves and gasoline-powered cars, and if it can mandate people to get vaccines and wear masks. **When Americans falter and lose their freedoms, the CSPOA founder said it will be because they have destroyed themselves. The answer, he continued, has to be within.**

HOLISTIC HEALTH CENTERS DRUG AND ALCOHOL DETOX

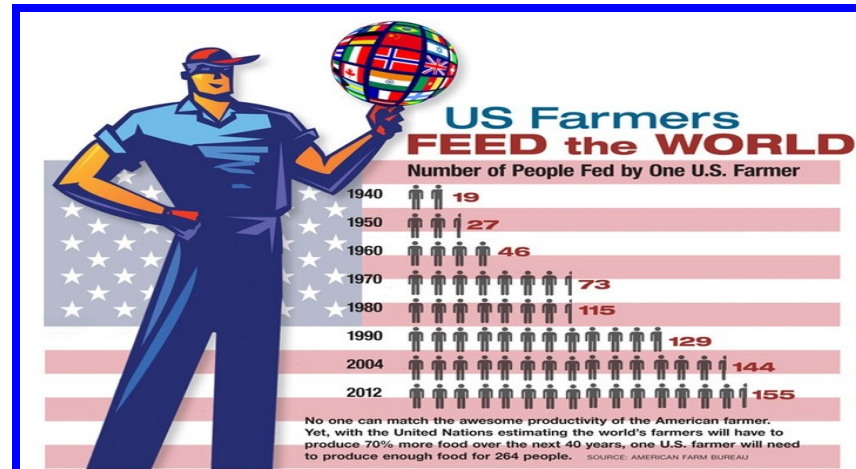

When the U.S. Food and Drug Administration (FDA) told Americans to "stop" taking ivermectin for the Wuhan coronavirus (COVID-19), the corrupt federal agency more than likely overstepped its jurisdictional bounds, a federal court has ruled. On September 1, U.S. Circuit Judge Don Willett wrote that the FDA is free to "inform" the public about what it thinks, but is *not* allowed to "recommend consumers 'stop' taking medicine." Judge Willett referred to the Federal Food, Drug, and Cosmetic Act, which stipulates that the role of the FDA is to *inform* consumers, much like an informational service. Somehow, the FDA has morphed into some kind of medicine *dictator*, which became more than apparent in the agency's mishandling of ivermectin throughout the "pandemic." Instead of allowing Americans to make their own medical decisions with the assistance of their doctors, the FDA chose to act as a bully against patients who decided against the "vaccines" and other state-sanctioned remedies for the Fauci Flu, and for ivermectin and other therapeutic prophylactics. Related: Did you know that pairing ivermectin with fenbendazole, another similar anti-parasitic drug, may help to prevent and treat cancer? Note: IF Americans knew how bad these shots are? They would stand up and protest these shots!

THE MARKETPLACE SUPPLY THE CHURCHES!

The cities of refuge were part of the distribution of the Promised Land among the twelve tribes of Israel. Only one tribe, the Levites, was not given land to develop. Instead, they were to be the priests of the Lord and the overseers of the tabernacle and all its rites and furnishings. Only the Levites could carry and set up the tabernacle ([Numbers 2:5-13](#)). As the Levites were to have no territorial domain allocated to them like the other tribes in the conquest of Canaan, they were to be distributed throughout the land in certain cities appropriated to their use. Part of their inheritance consisted of forty-eight cities spread throughout the land ([Numbers 35:6-7](#)). Of these forty-eight cities, six were designated as cities of refuge. The cities were Kedesh, Shechem, [Hebron](#), Bezer, Ramoth, and Golan ([Joshua 20:7-8](#)). The Mosaic Law stated that anyone who committed a murder was to be put to death ([Exodus 21:14](#)). But for unintentional deaths, God set aside these cities to which the murderer could flee for refuge ([Exodus 21:13](#)). He would be safe from the [avenger](#)—the family member charged with avenging the victim's death ([Numbers 35:19](#))—until the case could go to trial. The congregation would judge to find if the attacker acted unintentionally. If he did, he would return to the city of refuge and live there safely until the death of the high priest who was in office at the time of the trial, at which point he could return to his property. If the attacker left the city of refuge before the death of the high priest, however, the avenger would have the right to kill him ([Numbers 35:24-28](#)).

MAKE AMERICAN FARMS HEALTHY AGAIN!

A recently released report that took four decades to complete has shown that organic farming produced 40 percent more yields during stressful drought periods compared to conventional farming. The Rodale Institute's "[Farming Systems Trial](#)" is the longest-running investigation that compared organic and conventional grain-cropping approaches in North America. (Related: [How shifting to organic farming could help rural America rebound from economic disaster](#).) Organic farming does not leak toxic compounds into nearby waterways, uses 45 percent less energy and emits 40 percent less carbon into the atmosphere than conventional farming. According to the report, switching to a regenerative food system could provide sufficient food for the world's population, reduce chemical exposures and improve biodiversity. It has also indicated that yields for the organic approach become competitive with those of conventional systems after a five-year transition period. The trial measured differences in soil health, energy efficiency, crop yields, water use and contamination and nutrient density across test plots of grains grown in organic and conventional systems. The grains were the main focus of the study as they represented 70 percent of U.S. crops. These were planted on 72 experimental plots and applied organic manure, organic legume and conventional synthetic. Organic manure represented a typical organic dairy or beef operation. It featured long rotations of annual feed grain crops and perennial forage crops fertilized through legume cover crops and periodic applications of composted manure and used diverse crop rotations as the primary defense against pests.

DID ELON MUSK WAKE UP TO THIS CRAZY LEFT AGENDA?

Big Tech mogul Elon Musk's relationship with his transgender son Xavier, now called Vivian Jenna Wilson, has been shaky at best. Now, it seems irreparable. Musk called his son a "communist" and slammed the prestigious and expensive Crossroads School for Arts and Sciences in Santa Monica, California – which charges parents \$50,000 per student annually – for brainwashing his child to despise the wealthy and "infecting him with the woke mind virus." In an excerpt from the upcoming biography of the Twitter and Tesla CEO written by Walter Isaacson and published in the *Wall Street Journal*, Musk revealed that he was initially in favor of his child's gender transition, but things changed in April 2022 when Wilson severed all relations with him. The biography of Musk also included that his rift with Vivian "pained him more than anything in his life since the infant death of his firstborn child Nevada," who died just 10 weeks old of sudden infant death syndrome (SIDS). "Unless the woke mind virus, which is fundamentally anti-science, anti-merit and anti-human in general, is stopped, civilization will never become multi-planetary," Musk told Isaacson. He also blamed "neo-Marxist" colleges for the rift between himself and his kid, once telling the *FT* in 2022 that Vivian refused to be a part of his life because of the takeover of elite institutions by left-wing academics. Vivian, who has a twin brother named Griffin, reportedly came out as transgender via text to the wife of Musk's brother when she was 16. Court filings revealed that Vivian no longer wishes to be related to Musk in any way. A Santa Monica judge issued a new birth certificate that reflected the changed name and gender. The ruling simply stated: "Xavier Alexander Musk to Vivian Jenna Wilson. The gender of the petitioner is changed from male to female."

ON THIS ROCK/STONE I WILL BUILD MY CHURCH! DANIEL 2:44

⁴⁴ And in the days of those kings of Glenn Beck/Israel the Elohim of heaven shall raise up a kingdom which eternally shall never become corrupted, and this kingdom shall not be left to another people, *but* it shall break in pieces and consume all these kingdoms, and it shall stand for ever. ⁴⁵ In the manner which thou didst see that out of the mountain was cut one stone, not with hands, and that it broke in pieces the iron, the brass, the clay, the silver, and the gold; the great God has shown the king what shall come to pass hereafter; and the dream is true, and its interpretation sure.

The Feasts were divinely instituted right at the beginning of time and were appointed by Yahweh for many reasons:

- as a form of worship and thanksgiving to Him, especially for the harvests (Ex.23:14-17);
- to help the people remember the great events and wonders He wrought on their behalf (for example, the departure from Egypt's bondage; the giving of the law at Mount Sinai);
- to keep them together as His people and distinguish them from the Nations (who had their own religious festivals);
